

CAN THIS BE LOVE? - (K. Swift) "Fine And Dandy"

I'm all at sea, Can this be love?
 What can it be, Can this be love?

This mys-ter-y, Can this be love?
 This thing that I keep dream-ing of, I'm in a

blue haze where noth-ing seems quite real, I wan-der
 night till I

through days with this cra-zy feel-ing wake at ear-ly

dawn? Tell me, can this be love?
