ALONE - (N.H. Brown) "A Night At The Opera"

A-lone A-lone with a sky of ro-mance a-bove A-lone
 on this night that we two could share
 lone A-lone on a night that was meant for love There
 with your kiss that could make me care and
 must be some-one wait-ing Who feels the way I do
 when you come I'll prom-ise to be your ver-y
 Who ev-er you are, are you, are you,
 own A-lone A-lone with a heart meant for you A-lone.
