

# I WANNA GET MARRIED (Shapiro-Pascal-Carig) Follow The Girls

I Wan-na Get Mar-ried, - set-tled - I wan-na get spliced I long to be I wan-na start  
 knot-ted and see my friends pot-ted I wan-na be con-fet-tied and riced -  
 coo-ing and spend my life do-ing the things that  
 They say that mar-ried life Is what one makes it - I'm sure I've  
 got what it takes - But no one takes it - mom and pop used to spell, -  
 Give me a cot-tage small - where a rail-road nev-er stops -  
 I wan-na sleep in pa-ja-ma tops - I wan-na Get Mar-ried.
