

IT CAN'T BE WRONG (M. Steiner) "Now Voyager"

Moderato

Wrong, Would it be wrong to kiss, See- ing I feel like
 stay Here in your arms this

this, Would it be wrong to try? sky? If it is
 way, Un- der this star- ry

wrong, Then why were you sent to me, Why am I con-
 tent to be With you for- ev- er?

So when I need you so much and I have wait- ed so
 long, It must be right, It CAN'T BE WRONG.
