

CAN I FORGET YOU - (J. Kern) "High, Wide And Handsome"

Can I for-get you? Or will my heart re- mind me that How

once we walked in a moon-lit dream? made the moon-light

seem. Will the glo- ry of your

near- ness fade, As moon- light fades in a veil of

rain? Can I for- get you, When ev- 'ry night re-

minds me How much I want you back a- gain.
