

# FROM NOW ON (C. Porter) "Leave It To Me" Moderato

1/3

From now on, no more phi-lan-d'ring, No more  
 hot-spots, no scat-ter-brain. From now on my  
 fun will be me-an-d'ring with my dar-ling, down lov-er's lane.  
 The old gang will nev-er know me When they  
 find I've be-come the kind Peo-ple call "hom-ey." No more yearn  
 for some-thing new, dear, My ad-dress is you, dear, From now on.
