

NATURE BOY

(E. Ahbez)

Andante

There was a boy, a ver-y strange, en-chant-ed boy,
 And then, one day, a mag-ic day he passed my way,
 They say he wan-dered ver-y far, ver-y far O-ver land and
 And while we spoke of man-y things, Tools and kings, This he said to
 sea. me: A lit-tle shy and sad of eye,
 The great-est thing you'll ev-er learn
 1. F#7 But ver-y wise was he.
 2. F#7 Is just to love and be loved in re-turn.
