

FAREWELL TO ARMS

(Wrubel-Silver)

Moderato

Fare- well to arms, — to arms that ca- ressed me, — Good-bye to
 love that once was mine — Fare-well to lips — that ten- der- ly
 kissed me, — Good- bye to dreams that were di- vine. — No mat-ter
 where I go, — My heart will be with you, — No mat- ter
 where you are — I'll al- ways wor- ship you, — And so fare- well —
 — to arms that ca- ressed me, — Fare-well to arms, — Fare- well to love.
