

NIGHT IS YOUNG AND YOU'RE SO BEAUTIFUL. THE (D. Suesse)

The night is young and you're so beautiful,
The scene is set the breeze sing of it!

Here among the shadows, beautiful lady,
Can't you get in the swing of it, lady,

open your heart. When do we
start? When the lady is kissable

and the evening is cool, Any dream is per-
missible in the heart of a fool.

The moon is high and you're so glamorous,
And if I seem glamorous,

lady, What can I do? The
night is young and I'm in love with you.
