

# CYNTHIA'S IN LOVE

(Gish-White)

Moderato

Cyn- thi- a as flight-y as a sum- mer breeze  
 Ev- 'ry rose is blush-ing as she pas- ses by,  
 her smile is sun-light thru the trees For Cyn-thia's in love. (Hum)—  
 They see the love-light in her eyes  
 love. Ev- 'ry night when the stars a-bove come  
 shin-ing thru you will find her in a ren- dez-vous Star-ry eyes  
 breathing sighs, Hum, Cyn- thi- a I'm glad your love-ly dream came true  
 For I'm the one who wor- ships you My Cyn-thia's in love.
