

# PARIS IN THE SPRING (Gordon-Revel) "Paris In Spring"

PAR-IS IN THE SPRING, Mm, — Mm — { Love is in the air, } Mm — Mm —  
 { Hearts be-gin to dance }

— { Life's a love af-fair And ev-'ry pair of stars a ran-des-vous for two.  
 And in ev-'ry glance you'll find an in-vi-ta-tion to re-  
 dance — You must fall. You sim-ply can't e-void love.  
 The moon is there to aid love, Find some-one you can call your own.  
 You're to blame if you're a-lone Mm — It's grand, it's new, Mm —  
 It's me, it's you, Ev-ry beat-ing heart be-comes a part of PAR-IS IN THE SPRING
