

I KISS YOUR HAND MADAME

(R. Erwin)

Andante moderato

In dreams I kiss your hand, Ma-dame, — Your dainty finger-tips — And while in slumber —
 land, Ma-dame, — I'm begging for your lips. — I have not an - y
 right, Ma - dame, — To do the things I do, — Just when I hold you
 light, Ma. dame, — You van-ish with the night, Ma-dame — In dreams I kiss your
 hand, Ma - dame, — And pray my dreams come true. —
