

RIGHT AS THE RAIN (H. Arlen) "Bloomer Girl"

14

Right as the rain that falls from a-bove; So real, so
 right, Is our love. — It came like the spring that breaks thru the
 snow. I can't say what it may bring I on-ly know, I on-ly know it's
 right to be-lieve — what ev-er gave your eyes this glow — What ev-er
 gave my heart this song can't be wrong. — It's right as the rain that
 falls from a-bove and fills the world with the bloom of our love. —
